

## GLOVE SIZE CHART

Follow the three steps outlined below to choose the right size glove.

### STEP 1

Place your hand, palm down, fingers together, on top of the chart.

Line up the edge of your index finger against this line.

### STEP 2

Place first knuckle here

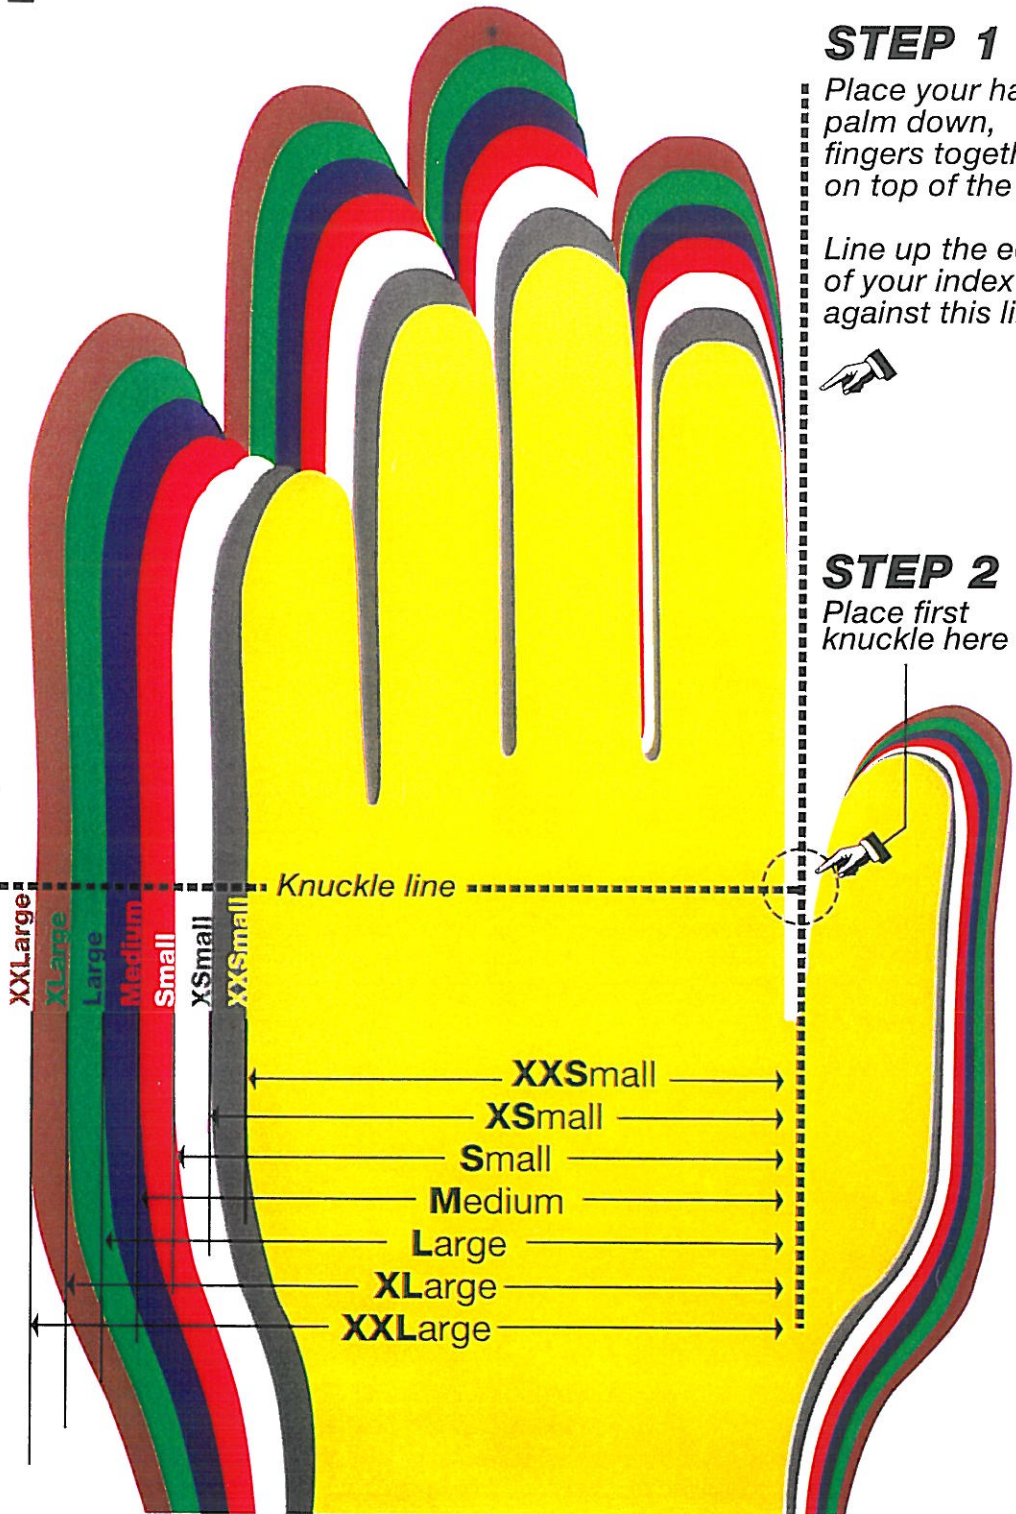

### STEP 3

Read your size, measured across the knuckle line.

#### NOTE:

If you are required to wear an underglove, you might need to order the next size up.

**GLOVE STRAP COLORS** coincide with the **GLOVE SIZE CHART COLORS**, for easy identification.
