Machine Serial Number

(IF APPLICABLE)

Description of Discrepancy:

*****Please print this form, fill out appropriate fields and package with machine being sent in for repair.**

*****Sewn Products will evaluate your machine, free of charge, and contact you with an estimate of repairs to receive your approval prior to any work being completed.**

*****Ensure your machine is packaged appropriately to prevent damage while shipping.**

Sewn Products can send you formed packaging material to ship your machine at a nominal cost (for most manual cutters). Please call for more information.
