Repair Request

Name _____

Company _____

Phone Number _____

Email _____

Machine Description _____

Machine Serial Number _____

(if applicable)

Description of Discrepancy: _____

***** Please print this form, fill out the appropriate fields and package with machine being sent in for repair.**

*****Sewn Products will evaluate your machine for a \$29.00 fee. If you decide to have the repair completed, this fee will be waived. We will contact you with an estimate of repairs to receive your approval prior to any work being completed.**

*****Ensure that your machine is packaged appropriately to prevent damage during shipment. Sewn Products can provide preformed packaging material for most manual cutters at a nominal cost. Please call for more information.**
